Principal's Message

Asasa Academy have fun participating in the Jump Rope for heart program this February. The students raised a total of \$764.35. We had so much fun when the students and teachers participated in a "Jump Off" contest to see how long someone could skip with out getting tangled up.

Congratulations to Jaime Cleroux-Desruisseaux who out skipped us all!

The second report card term is wrapping up and students will receive their progress reports on March 10th. Parent teacher conferences will take place on March 16th and 17th. Please book an appointment with your teacher. We look forward to having parents in the school to see some of the great things students are doing.

Spring break is just around the corner! The last day of classes for the students will be March 16th.

Amazing ELA Projects

These are just a few of all the amazing ELA projects that Ms. Vanstone's class created to represent the novel Mrs. Frisby and the Rats of Nimh.

Kindness Award Winners!!!

Congratulations to Aaryan Jaidka and Divjot Sabharwal for earning the well deserved kindness award! The students were given a kindness coupon if they were caught being kind. Who ever had the most at the end of the month won!

Kindergarten Field Trip!!!

Ms. Kruiper's and Ms. Campos's classes went to the Telus Spark Science Centre and discovered interesting facts about wind. They examined the different ways wind blows, how different size fans turn at different speeds and they also created their own wind!

Save the Date!

Monthly Value: Initiative

Students will be learning more about David Suzuki as we explore the value of Initiative during the month of March,

David Suzuki is a scientist and environmental activist. He has helped popularize science and is well known for his TV and radio series, documentaries and books about nature and the environment. Mr. Suzuki has won a long list of Canadian and international honours.
