Dear Parent,

We believe early professional assessment is useful for measuring and optimizing each child's behavioural, emotional, intelligence, focus and concentration capacity. As a result, the assessment will help teachers create individualized learning plan to meet or exceed each child's maximum potential. There is no cost to the parent for this assessment and will allow the Academy to obtain educational resources to facilitate an environment of enhanced learning.

By signing below, you agree to allow Asasa Academy to perform this assessment. Your child's information is strictly confidential and is protected under the FOIPP (Freedom of Information and Protection of Privacy) Act. We will only share information with a professional body licensed in Alberta who adhere to FOIPP. Asasa administration will be pleased to answer any questions or concerns you may have.

Sincerely,
Asasa Academy
