## Principal's Message

The students are very eager to begin the Playground Activity Leaders in Schools program. This is a great leadership opportunity for some of the older students to learn new games, help other students and build confidence. A couple of students have already been very helpful with filling me in on how this program ran last year.

## General Reminders

Pick up: We have noticed a number of parents making U-turns, parking in the bus zone, and jaywalking. Please ensure you are following safe driving practices during pick up and drop of times. Students should be picked up from school between 3:00-3:20. If you arrive after 3:30, there is a \$35 late fee.

Lost and Found: Unclaimed items are starting to pile up. Please take a look in our lost and found to see if anything belongs to your child.

# October Events

## Martial Arts Testing

We are very proud of the student who participated in the Martial Arts testing. Asasa would like to extend a special thank you to Sifu George for all of his efforts to make this a successful program for our students.

## October Assembly on Respect

Ms. Jawanda's class and Ms. Dingle's class successfully hosted a school wide assembly on our monthly virtue-respect.

## Magic Show

The students had a lot of fun observing and participating in the fabulous magic show on October 13th.

## Halloween Party

Many students and staff dressed up on October 31st. We had a fun party in the gym dancing and showing off costumes to one another.

## Monthly Value: Responsibility

As students learn about responsibility this month, they will look at the life of Canadian Veterans who felt it was their responsibility to fight for the freedoms we enjoy in this country. We will honour their courage and dedication as we try to show greater responsibility in our lives.
